

Annual Report

Please check our website for new spring and summer classes, workshops and special events:
sunfoundation.org

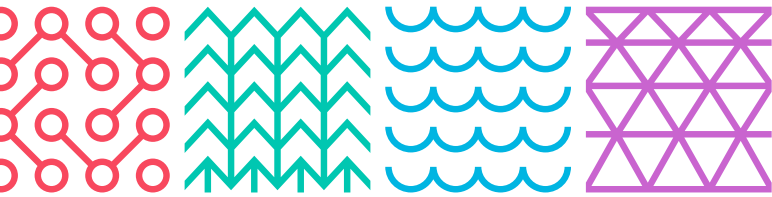

Overview

In 2021, the Sun Foundation celebrated our 48th anniversary. Since 1973, we've touched the lives of over 6 million members of our community through art and environmental science programs and publications.

We are pleased to report that the Sun Foundation was able to safely present its programs in person and virtually during the challenges of the pandemic, and continue to serve its community in new ways and carry out its mission.

With the innovative practices and support of our board of directors, volunteers, staff, program coordinators, presenting artists and scientists, videographers, virtual platform designers and the promotional impact of our brand agency, Concentric Design, we celebrate the positive results of this year.

Founded by Robert and Joan Root Ericksen in 1973, the Sun Foundation of Washburn, Illinois is a 501(c)3 tax-exempt, not-for-profit organization dedicated to investing in educational opportunities for children and the general public by:

- Providing innovative environmental sciences and arts programs
- Engaging audiences and students with outstanding artists, engineers, architects, and scientists
- Promoting in-depth knowledge, creativity, first-hand learning, and stewardship

MISSION STATEMENT

The Sun Foundation works to strengthen and advance the arts and environmental sciences in rural and urban communities by providing quality and innovative programs, services, publications, research, regranting financial support and cooperative efforts for the general public, under served groups, schools, Illinois artists, and local arts organizations.

Sun Foundation programs are funded by public contributions and awarded grants.

SERVING THE UNDERSERVED SINCE 1973

Though the generous support of our donors the Sun Foundation was able to provide 135 financial need scholarships for student to attend the summer Art and Science in the Woods program.

With the awarded grant from the Illinois Arts Council Agency and matching funds the Sun Foundation's Community Art Access Program we were able to provide funding for under-served communities in four rural counties.

Clean Water Celebration

In 2021, we provided a virtual celebration for our community—and the world—available for free. It included a Clean Water Champions mini-documentary series and a Virtual Environmental Classroom, complete with games and activities, available online and through an app.

Download the Clean Water Celebration app on the Apple App Store

LEFT Avatar, Recycled Robin, explores the virtual Peoria Riverfront
 RIGHT Activities in the Virtual Classroom

The Virtual Clean Water Celebration launched April 26, 2021. Both mini-documentaries and Virtual Environmental Classroom are 100% free of charge.

This experience offers the opportunity to take virtual field trips anytime to our area’s rich ecosystems, see presentations and demonstrations from experts in their respective fields, and participate in interactive activities that build knowledge about water and its properties, prairie plants, composting, bird migration, wetlands, environmental anthropology, and so much more.

[Clean Water Champion episodes](#) are cross-curricular documenting the work of scientists, artists, conservationists, storytellers, or youth leaders. Each is aligned to the Illinois Learning Standards and challenges the viewer to take action themselves. An action planning and reporting form is available.

Entering the [Virtual Environmental Classroom](#), avatar, Recycled Robin appears in a virtual version of our Peoria Riverfront, but the location could be any river town in the world. Robin guides the

user to Clean Water Champion video tents and through mini-game activities and scavenger hunts.

This amazing online resource will be ongoing and was accomplished in collaboration with production and film team Brian Fox Ellis and Frank Blain, the Peoria Art Guild, the Greater Peoria Economic Development Council and Interactiva Studios with the generous sponsorship of Illinois American Water as well as Ameren, IVY Club, and individual donors.

Funding to expand this virtual programming in 2022 included \$4500 through the American Water Environmental Grant program to create additional episodes and \$10,000 from the American Water Charitable Foundation Keep Communities Flowing program to enrich the virtual classroom.

2022 AND BEYOND

The 29th Clean Water Celebration will be virtual and launches April 25, 2022.

Plans are underway for the 30th Sun Foundation Clean Water Celebration, April 23–24, 2023, in Peoria.

ART & SCIENCE
IN THE WOODS

By the Numbers

We are happy to report the 48th year of Art and Science in the Woods summer program was safely presented in person for 350 students ages 6 to 18. A special thank you to program director **Brett Root Ericksen** and our local health department that worked together to insure all participants would be safe and free from contracting COVID infections.

Thank you to Brett, program coordinator **Sharon Obery** and assistant, **William Blumenshine**, for the many weeks of planning and preparation of the program. A special thank you to friends **Eric Jones** and **Danielle Kreie**—who both came from California to help staff during the program.

A Summer Youth Employment grant was awarded from the Illinois Arts Council Agency funding two high school interns for the program.

Blick Art Materials program sponsor donated program arts materials and financial support for the 48th year. The Caterpillar Foundation through its employee matching fund sponsored the program for the 47th year.

Stanley Steemer donated special health cleaning services of the indoor classrooms. Over 60 teaching assistants and six nurses volunteered their service. Two Men and a Truck donated their services moving tables to and from the tent and indoor classrooms.

Thank you to trail lead **Bob Kreie**, and staff and auction lead **Dominique Kreie**, for another great year.

Thank you to volunteer staff **Libby Verkuilen** and **Jennifer Lindstrom** for the huge task of providing class supplies and equipment.

Thank you to all the volunteers who prepared classrooms and trail sites.

Through the awarded grant from Ameren Illinois and contributions from our donors, 135 underserved students received financial need scholarships to attend the program.

We have so many friends to thank for making this special program possible this year.

Community Arts Access Grants

ABOVE Princeton Theater Group's summer campers learning acting techniques and the importance of stage etiquette.

The Sun Foundation, in collaboration with the Illinois Arts Council and the National Endowment for the Arts, awards grants for community and public arts programming.

Community Arts Access Grants are funded by an awarded grant from the Illinois Arts Council, a state agency and matching funds from local business and individual donors. Last year, the Sun Foundation was awarded a \$10,000 grant for community and public arts programs for regranting.

With this grant and matching contributions from **Adams Consulting, First National Bank of Lacon, Katherine and James Weber**, the Sun Foundation awarded \$13,550 to schools, arts and community service organizations for public arts programming throughout the counties of Bureau, Marshall, Stark and Woodford. The funded programs were able to adapt and innovate their programs with COVID safety measures in effect.

2021 GRANTEES

Bureau County Historical Society

Photographer, historian and artist work with students creating and preserving of family memories boxes. The boxes will contain preserving family photos; artifacts and creating decorated children's memory boxes. In-person, Zoom and Video formats. \$1,000

Impact & Media

SUN FOUNDATION FY 2021 IMPACT

From September 1, 2020 to August 31, 2021 the Sun Foundation engaged 65,000 people through educational programs, services, publications, broadcasts, performance exhibits, community service organizations, presentations, classes, and workshops.

WEBSITE

Our website continues to provide an important means for communication with over 15,000 visits in the fiscal year (a 10% increase over 2020), of those, 11,000 were unique visitors (an increase of 5%).

PROMOTIONAL MATERIAL FOR PROGRAMS

The Sun Foundation designed and produced hard copy and electronic promotional brochures posters and flyers. Program materials were distributed to area community festivals, local businesses, local libraries, local schools and internet links.

SPECIAL THANKS

A very special thank you to Concentric Design for donating their time and skills to design and maintain our website, and design this annual report, and other promotional material throughout the year.

www.concentric.design

SOCIAL MEDIA

Facebook continues to be a valuable source of communication for Sun Foundation programs, sponsor acknowledgment, and news.

ARTS ADVOCACY

As a member of Arts Partners of Peoria and the Association of Fundraising Professionals, the Sun Foundation is an art advocate providing regrating support, employment, and free marketing—throughs social media and our website—for artists and arts organizations.

Program Support

WINTER WARMING PROGRAM SUPPORT EVENT

Due to the pandemic our Winter Warming Children's Benefit was canceled in 2021.

Partnerships & Funding

The Sun Foundation gratefully acknowledges our partners and supporters.

SUSTAINING SUPPORT, GRANTS AND FUNDRAISING EFFORTS

Blaine Adams, CPA, and his firm donated accounting service again this year. **Concentric Design** of Chicago continued their in-kind services as webmaster and graphic designers of program and fundraising promotions.

The Illinois Art Council Agency \$15,000 awarded operational grant, and a federal PPP \$16,000 grant, allowed the Sun Foundation to continue its mission during the pandemic surge in fiscal 2021.

CORPORATE, TRUST & FOUNDATION PARTNERSHIPS

IN-KIND DONATIONS

In-kind donations amounting to \$75,038 came from local businesses, service groups, and individuals to make the FY 2021 Sun Foundation programming and events possible.

VOLUNTEER COORDINATORS

Special thanks to:

- **Sharon Obery**, Art and Science in the Woods volunteer coordinator
- **Karen Zuckerman**, Clean Water Celebration volunteer coordinator
- **David Marshall**, Community Arts Access committee chair
- **Bob Kreie**, trail lead

Partnerships & Funding, cont.

VOLUNTEERS

Over 112 people volunteered to support programs in 2021.

Community members gave their talents and time to serve on the Sun Foundation Board of Directors, serve on program committees, help at fund-raising events, facility maintenance, assist with teaching, and provide medical care for students.

These amazing people and groups are essential to the work of the organization.

GENEROSITY

We thank our community for showing such significant and long standing support for the mission of the Sun Foundation.

ILLINOIS ARTS COUNCIL

The Illinois Arts Council, a state agency, awarded the Sun Foundation \$15,400 for operations and program support, \$10,000 for regranting through Community Art Access Grants to Marshall, Woodford, Stark and Bureau counties, and a \$6,000 Summer Youth Employment grant for student interns.
